ABOUT US

GAMES DONE QUICK

Games Done Quick is a series of charity video game marathons. These events feature high-level gameplay by speedrunners raising money for charity. Games Done Quick has teamed up with several charities in its nine-year history, including Doctors Without Borders and the Prevent Cancer Foundation. We are currently the largest fundraising event globally for both charities!
To date, Games Done Quick has raised over 45 million dollars for charity. We also average over 3000 people in attendance at our events, including staff, volunteers, runners, and attendees just looking to have fun and support the event!

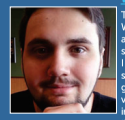
2023 SPEAKERS

CHEESE

Allan Alvarez, more commonly known by his online alias "cheese", is a Trinidadian-Spanish speedrunner who's well-known for his Super Mario 64 speedrunning records.

Alvarez achieved his first-ever world record (former) in the 70-star category on January 24, 2018, when he completed Nintendo's iconic platform game in 47 minutes and 34 seconds.

WITWIX



Tom "Witherford Wixorian" aka Witwix made a name for himself as a speedrunner and a Twitch streamer thanks to the indie game I Wanna Be Boshy. Despite only speedrunning one game, Tom has grown to become quite a popular variety streamer, as seen by his immense collection of video game titles.

Witwix has amassed over 335K followers on Twitch, where he regularly streams I Wanna Be Boshy, Diablo 3, and Mario Kart. He was most recently seen streaming Hitman: World of Assassination on the purple platform.

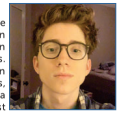
2023 SPEAKERS

TRIHEX

Mychal "Trihex" Jefferson is a professional gamer, speedrunning extraordinaire, and Twitch streamer. Besides being the man behind TriHard, one of the most frequently used Twitch emotes, Trihex first rose to prominence thanks to his stellar runs in a number of titles from the Super Mario and Yoshi franchise.

Trihex entered the upper echelons of the speedrunning community after he managed to complete a 100% run of Yoshi's Island in under three hours, a game that many within the community deem too demanding to speedrun.

CLINTSTEVENS



The final entry on this list and the most followed speedrunner on Twitch at the moment is American Twitch streamer, Clint Stevens. The 29-year-old specializes in speedrunning Nintendo 64 games, including ones from the Zelda franchise, with some of his most notable runs being recorded on The Legend of Zelda: Ocarina of Time.

ClintStevens currently has over 551K followers on Twitch, where he can be found regularly streaming Mario 64, Pizza Tower, Genshin Impact, and many other games when he isn't focused on speedrunning.
